Custom logo designs promote school and company image...

KNIGHT EDUCATIONAL PRODUCTS OFFERS CUSTOM LOGO'D APPAREL AND PRODUCTS FOR HEALTHCARE AND EDUCATIONAL PROFESSIONALS

LAS VEGAS, NV (June 25, 2008) – Providing affordable and high quality products for students, skilled tradespeople and healthcare professionals, Knight Educational Products has developed a line of custom logo'd apparel and products. Knight's product line includes lab coats, scrubs, work shirts, instructor shirts, backpacks, tote bags, and both aluminum and soft tool cases. Knight Educational Products is a global manufacturer and supplier of educational training equipment.

“Knight provides customers with affordable, custom embroidered or printed products that promote a school or company's image by displaying their logo,” said David Luna, Vice President of Sales and Marketing for Knight Educational Products. “We're able to offer a one-stop-shopping experience for educational institutions, skilled trade technicians and medical professionals searching for a supplier to manufacture, package and ship custom logo'd products directly to their facilities.”

KNIGHT PROVIDES CUSTOM LOGO'D APPAREL AND PRODUCTS, PG.2

Knight's apparel line includes three-quarter sleeve, hip-length unisex lab coats; durable and comfortable v-neck 3-pocket scrub tops; elastic back and front drawcord waist scrub pants; and short/long sleeve button-front work shirts for students and skilled trade technicians. Sizes range from XS to 6X and various colors are available for individual programs.

Knight also offers an assortment of tool cases and backpacks for career or technical training including, student backpacks with double zippered front pocket and cell phone pocket; super-sized laptop backpacks with three different carrying modes (backpack, sling, tote); 18" expandable rolling backpack with an interior laptop pouch; water resistant tote/duffel bags with divider compartments; rolling duffel bag with three in-line skate wheels; 15-pocket professional tool bag with padded handles and 48" shoulder straps; padded nylon zipper case and an aluminum "camcorder style" case with two removable tool pallets.

Typical pricing for non-logo'd products start at \$9.95 with a lead time from stock to 8 weeks. Lead time is 90-120 days from final approval with a minimum order amount of 300 units for logo'd products. Knight also provides fit samples if required.

For more information about Knight Educational Products' Custom Logo'd Products, visit the products section at www.knightedu.com; e-mail sales@knightonline.com; or call (800) 323-2439.

A division of Knight Electronics, Knight Educational Products provides a wide-range of quality, cost-effective electronic components, medical products and tools for students and professionals in skilled trades, medical, culinary arts, massage therapy, spa treatment, and personal training markets.
